the social security administration says over 2400 seniors have fallen victim to the scam...the better business bureau says.....and they have begun an internal audit to find out how...

"I am the queen of pink bling," she said to me, showing me her wedding band (pink and white diamonds, so big she can't bend her ring finger)

recently, the fda issued a warning to the drug's manufacturer, breathable foods inc., calling the product's current labeling false, misleading, and potentially dangerous

"Antifungal agent" is intended to mean any synthetic and or pharmaceutical antifungal agents, which
