unfortunately, since narcolepsy is thought to be a genetically linked autoimmune disorder, there is no way to treat its causes directly.

Police said they now believed there were 5,500 potential victims of phone-hacking.

Jørgensen, K.; a calorimetric study of phosphocholine membranes mixed with desmopressin and its diacylated prodrug derivative (ddp), Int

Durch Bormangel reichert sich zu viel Kalzium in den Zellen an, und das Magnesium kann nicht hineingelangen, um es zu ersetzen.
